

**EGYPT
EXPLORATION
SOCIETY**
FOUNDED IN 1882

The Egypt Exploration Society is the leading British archaeological organisation supporting and promoting Egyptian cultural heritage. From their permanent base in Cairo they run research projects, educational courses, and training activities in order to achieve this mission. This work is funded by an international community of like-minded people who are passionate about the history of Egypt and the preservation of its heritage for future generations.

Support your local society, by supporting your national Society

Manchester Ancient Egypt Society is an official partner of the Egypt Exploration Society.

If you join (or rejoin) as an EES Full Member via their website then they will donate 10% of your subscription fee back to us! Just make sure that you pick us from the selection on their website.
